

Impact Report Beyachad Foundation 2022

Beyachad – The Stella and Yoel Carasso Family Foundation has been working since 2015 to increase young people's mobility and boost **inclusive growth in the Galilee** by investing in the meeting point between **education, technology and employment**, leading to increased productivity and socioeconomic resilience in Israel.

Overarching Objectives

Strengthening the Galilee by developing its human capital and creating inclusive regional growth engines in education, employment and industry.

Nurturing Human Capital via improvement of technical and vocational education and training (TVET), in line with the shifting needs of the labor market, while simultaneously encouraging responsibility within the business sector.
